Release of Responsibility

The following acknowledges that I am aware that riding is a sport with inherent dangers and that I and/or my child can be hurt or even killed.

I understand that the Healy's/Grazing Acres Farm do not assume any responsibility for any injury to a rider or someone accompanying a rider or for damage to property. I understand that while my horse is boarded here that Grazing Acres is not responsible for injuries to me, my animal, or my property.

I understand that I am responsible for any guests that I bring with me to Grazing Acres.

1. Hard Hats and Footwear with heels are required for juniors when riding.
2. If I open a gate or door I must also shut that gate or door (even though the stall, barn, or field is now empty).
3. Children (under 18) may not ride unless an adult is present who agrees to supervise the ride.
4. Anyone making a temporary use of a stall not assigned to them must clean it.
5. Anyone riding at Grazing Acres must sign a *Release of Responsibility*.
