

BRANDYWINE RED CLAY ALLIANCE

Located in West Chester, PA, Brandywine Red Clay Alliance, formed in 2015 from a merger of the nation's two oldest small watershed conservation organizations, is a local leader in protecting the environment. We organize volunteers for action, connect students of all ages and recreation enthusiasts to the outdoors, improve the quality and quantity of water, and unite our members in standing tall for the natural resources of our communities. Our mission is to promote the restoration, conservation, and enjoyment of the natural resources of the Brandywine and Red Clay valleys. We are currently interviewing for the position of:
